

# INDICATOR TAPES ARE FSC™ CERTIFIED

## STEAM STERILIZATION • TYPE 1

Our high quality Process Indicator Tapes are designed to seal packs that are exposed to steam sterilization. The tape distinguishes between items processed and unprocessed in both gravity discharge and pre-vacuum steam sterilization processes.

## PRODUCT APPLICATIONS

- Use on disposable wraps
- Seal packs that are exposed to steam sterilization
- Sterilization of medical and dental instruments

## MARKETS

- Healthcare
- Medical
- Dental

*Also available: Non-printed high quality paper tapes specially designed for wrapping applications*

## WHAT IS FSC?

- FSC is an organization that is dedicated to the responsible management of the world's forests
- The FSC certification confirms that the products come from responsibly managed forests that support the three pillars of sustainability: environmental, social, and economics
- When our customers purchase a FSC labelled product they are supporting:
  - Zero deforestation
  - Fair wage and work environment
  - Preservation and conservation
  - Community rights

The mark of responsible forestry
